

Family Fun Night

Hey Cavaliers! Mark your calendar! Save the date!
CBA's first *Family STEAM Fun Night* will be held on

Monday, November 13th!

Time: 6:00 - 7:30 PM

Calvary Courtyard & Next Generation Room

Embrace your creative side! Your family will stroll through our *Elementary Art Gallery*, as you are serenaded by CBA's *4th grade Music students*! More than 600 incredible works of art created by our Kindergarten - 6th grade students will be on display!

Next, test your *Scientific Inquiry* skills! You can actually participate in some of the *STEM* activities CBA's 5th and 6th grade students are demonstrating in the Courtyard!

Discoveries students will be there too! Ready to share some of the exciting things they are learning about in Discoveries class!

We know all this *STEAM fun* will make you hungry! So, Dominoes will be serving pizza for \$2.00 a slice! Proceeds will benefit CBA's *Starving Artist* and *STEM* funds!

Hope to see your family at *STEAM Family Fun Night*!
