

CHRISTMAS PICTURES WEDNESDAY, NOVEMBER 3RD

Christmas is coming early to Calvary! To get your child photographed please use this slip to notify your teachers so they can send your students on picture day. Those who fail to return their slips will not be photographed that day. For best results, make sure your child is dressed in solid colored clothes or minimal patterns. Proofs will be shown online as before using the half sheet with the QR code and access code. Look out for this sheet so you can register for your images to be sent directly to your email for viewing/purchasing! If your child does not come home with a QR sheet, please email orders@cowenstudios.com and we will send it to you.

Thank you for letting us create memories with you!
