

About Your Senior's Cap and Gown Shoot...
10/2/2019

Dear parents,

Cowen Studios will be at your senior's school, on the date listed above, to photograph your senior for this special event. There is no need to send money at this time as this is a proof program. About two weeks after the photo shoot, your senior will have a proof sheet to bring home for your review. Should you wish to purchase, you will make your payment at this time. For BEST results, it is recommended that guys wear a white, button down shirt and tie. Girls photograph best with a v-neck top. These portraits make wonderful gifts, graduation invitations and thank you inserts. If you have any questions, please contact Cowen Studios at (318) 865-0247.
