## **CALVARY BOYS LACROSSE**

### **INFORMATIONAL MEETING**

Parents of 4th through 8th grade boys, please come out for an informational meeting regarding the future of Calvary Lacrosse. We'll share information about the game, opportunities to train, learn about the sport and answer any questions about the future of lacrosse at Calvary. Our intentions are to begin training this spring, play in local youth leagues next spring and grow into High School starting spring 2026.

Men's lacrosse is a sport that has many similarities to soccer, basketball, hockey and football. High School Lacrosse in Louisiana is organized under the Louisiana High School Lacrosse League which was formed in 2008. It currently supports 21 programs throughout the state with 40 varsity and JV teams and over 1,000 student athletes. The high school season starts in February and ends the 1<sup>st</sup> weekend in May (2023 championship weekend was May 6,7).

**Meeting Date:**  
**Thursday,**  
**March 7, 2024.**  
**6:00pm**  
**Cavs Cafeteria**

**Presented by:**  
**Coach CJ Seling**
